FURNITURE

The following division is showing a great variety of furniture rental options. Choosing the right furniture is of high priority for a good event, that's why our models are chosen after careful selection and are bought from leading companies on the market. Selecting furniture is a little tricky for some, that's why we've made several divisions of our models – luxury, basic, bar chairs and bar tables, illuminated, conference furniture, thematic. The variety of furniture available is so that you can rent chairs, tables, armchairs, sofas, stools, room dividers, variety of accessories, etc. Besides the variety of forms there are also options in styles, materials, sizes and for some of the models you can make a selection in colors.
